SUMMARY

Seeking a position as a 'Frontend Web Developer' where I can apply to build, develop and consolidate my skills in the web development industry. Since 2019, I'm working in this position in the International marketplace. My main goal is always to keep myself up to date with the latest technologies, maximize productivity with efficient code to look modern, and consistently make satisfaction to the relevant clients.

EXPERIENCE

Web Designer
@Digidom Ltd.

@Austin, United States
Jul'20 - Dec'20

Remote Job
(Contractual)

They offered me as a 'Senior Web Designer' in digidom Ltd to build up a fully hand-coded HTML template from Figma UI using SASS/SCSS. The key factors are:

- Searching the domain on web.archive to know about the website
- Ordering for a website logo, favicon, Image to the graphic designer
- Also ordering for text content to the content writer
- Converting from Figma UI design to HTML Template

- Click-up
- Ahrefs
- Open Source Images
- Airtable
- Web Archive
- Fake-name Generator
- Color Picker Tools
